

(b) whether the Government are aware that the 'Naphtha' allotted to Kerala is insufficient to meet the fuel requirements of thermal projects;

(c) whether the Government consider to enhance the Naphtha allotment;

(d) if so, the details thereof;

(e) whether the Government consider to enhance the allotment of diesel to Brahmpuram Power Project; and

(f) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH) : (a) The power supply position in Kerala during April to July, 1997, is given below :

Energy	April, 97-July, 97
Requirement	3775 MU
Availability	2749 MU
Shortage	1026 MU
% Shortage	27.2%

Kerala's generation is hydro based and due to delayed monsoon this year, there was steep decline in the state's hydro generation. Keeping in view the acute power shortage in the state, the Government of India increased the allocation from 30% to 50% w.e.f. 12-6-1997 and further 50% to 65% w.e.f. 1-7-1997 from the unallocated Central quota. The State has also share of 414.5 MW power from the Central sector generating stations in the Southern region.

(b) to (d) The request of Government of Kerala for enhancing the naphtha allocation is under examination.

(e) and (f) Fuel linkage for Brahmapuram diesel power plant of Kerala has been issued on 17-7-1997.

Joint Venture for Finance

3754. SHRI L. RAMANA :
DR. KRUPASINDHU BHOI :
SHRI SULTAN SALAHUDDIN OWAISI :

Will the Minister of POWER be pleased to state :

(a) whether NTPC propose to enter into joint venture with Haryana Electricity Board to promote two major power projects at Faridabad;

(b) if so, the details thereof;

(c) whether this is the first projects likely to be developed by NTPC in conjugation with State;

(d) if so, the capacity of the present project and projects

likely to be taken up in future;

(e) whether more projects are likely to be entered into with States especially Andhra Pradesh by NTPC; and

(f) the extent of such joint ventures are likely to help the speedy execution of power projects?

THE MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH) : (a) to (d) Government of India have accorded investment approval to set up Faridabad Gas Power Project in a capacity range of 330 to 430 MW in Haryana by National Thermal Power Corporation (NTPC) at an estimated cost of Rs. 1163.60 crores. The ultimate responsibility for implementing the project will be entrusted to a subsidiary company by NTPC in which Haryana/HSEB is expected to have a share holding.

(e) and (f) Investment approval has also been accorded for the setting up the Simhadri Thermal Power Project (1000 MW) in Vishakhapatnam district of Andhra Pradesh by NTPC. This project will also be implemented by a subsidiary company of NTPC with a share holding by Government of Andhra Pradesh/APSEB. It is expected that such collaborative efforts between NTRC and the State Governments/their SEBs will help in adding greater new generating capacity in the country.
